## EXECUTIVE OVERVIEW

01 / 03

PT. Cakra Persada Logistik delivers end-to-end freight forwarding, customs brokerage, warehousing, and project cargo transportation across Indonesia and international trade corridors. From standard FCL/LCL ocean containers and priority air freight to Class 1–9 dangerous goods and heavy-lift charters, one accountable operations team manages your shipment from origin pickup to final proof of delivery.

Our reputation rests on disciplined execution at every handover point. By combining established global carrier alliances, an integrated inland trucking fleet, and licensed customs brokerage at Jakarta's primary seaport and airport gateways, we move cargo safely, compliantly, and cost-effectively on every lane.

### CORPORATE VISION

To be Indonesia's most dependable multimodal logistics partner, recognized across global trade lanes for operational precision, regulatory integrity, and safe execution of complex and time-critical cargo.

MULTIMODAL · COMPLIANT · ACCOUNTABLE

## OUR MISSIONS

04 PILLARS

To deliver cargo safely, predictably, and cost-effectively across sea, air, and land alongside licensed customs brokerage and technical consulting, our operations team upholds four core pillars:

**01 SCHEDULE RELIABILITY**
Consistent transit adherence, proactive carrier booking, and dependable execution on every trade lane.

**02 REGULATORY INTEGRITY**
Transparent quotations, accurate PIB/PEB customs declarations, and full trade compliance.

**03 OPERATIONAL PRECISION**
Rigorous cargo inspection, route surveying, industrial packing, and lashing verification.

**04 DEDICATED ACCOUNTABILITY**
Direct, responsive coordination with shippers, carriers, warehouse crews, and port authorities.
